Francis Scott Key Post 11’s success depends entirely on active membership, participation and volunteerism.

Francis Scott Key Post No. 11

Official Bulletin Vol. XXXIX No.5
November — 2021

COMMANDEER’S ROLL CALL

November 11 is Veterans Day. A day reminiscent of what service members have fought and died for keeping our country safe. Let us all thank a veteran, an active duty service member, and their family members for their service to the country. As Commander of American Legion Post 11, I salute you all and thank you for your service. There will be various recognitions and celebrations throughout the month, I encourage you to get involved. American Legion Post 11 annual Veterans Day recognition ceremony will be held at Memorial Park in Frederick on November 11 starting at 11:00 am.

The American Legion, like all other veterans organizations, is made up of veterans and family members that volunteer their time to provide service to the community. Within the various veterans military organizations there are very few paid staff members. Membership is the key to building an organization to provide the best service it can to its members and the community. Volunteers within the membership and the free giving of their time is a good measure of how successful the organization will be in the community. Currently, those volunteering for any function being held inside or outside representing Post 11 have been from the same volunteers. So, more than anything, this is a solicitation for membership and ultimately more volunteers. Five or six hours per month will make a big difference.

Fall is in the air. Thanks to the members who volunteered to make the Post look fitting for the season. As we partake in the season's festivities, you can't help but notice early decorations indicative of the most wonderful time of the year, Thanksgiving, Christmas, and the New Year have already begun to shape up.

As I spend time in the Post conversing and visiting with members, I am reminded that these are still far from normal times. Resources are in fact limited and I would ask again that everyone be considerate when it comes to others and their beliefs. We all observe things that can be adjusted daily, I first ask myself if there is an adjustment that I can make to enhance the environment and its surroundings. It all starts with me, ask yourself. The pandemic continues to seemingly have everyone on edge one way or another. I ask that we all remain vigilant and keep one another safe. Wearing a mask where required, wash your hands often and continue to social distance. This Country has gone through some very tough times throughout its history. The times that we are faced with currently, I’m confident that as we all do our part to work through it together will end successfully and will be written as such.

I usually end the monthly article with One Band One Sound. However, we are in another of the seasons where tributes are paid to military service members, both past and present, around the world let us all give thanks and honor to all active duty, veterans and their families during this time. This is and will always be the land of the free and the home of the brave. All Gave Some, Some Gave All.

S.A.L. News  By: Jeffrey Seiler, Commander

The Sons of The American Legion would like to thank everyone that attended and supported the Sons of The American Legion “Steak Nights”. They were a great success, and we think everyone enjoyed their steaks. Not sure when we will start the steak nights next year in the Spring. Thanks again for all your support.

We hope everyone will attend The American Legion Veteran’s Day Service on November 11th, 2021, at Memorial Park. The Ceremony starts at 11:00 am.

Dues are NOW being collected for the year 2022. Dues run from July 1st to June 30th. The dues are $35.00 per member and $15.00 for junior members. Please stop by the post and pay your dues and hopefully we can reach our goal of 100% again.

This year our Detachment Commander, Mr. Mark Fayer of The Sons of The American Legion has chosen “Casey Cares” as his project for the year. On November 20th our Post and Squadron will be hosting the detachment meeting. After the meeting, approximately at 5:00 pm, we will be having a 500 Ticket Cash Blast Drawdown. The proceeds of this fundraiser will be going to the Commander project Casey Cares which originated right here in Baltimore Maryland. Tickets are $10.00 with a lot of chances to win with the top prize being $500.00. There will be Karaoke in the lounge that night as well. Please come out and sing your heart out.

Charlotte Hall, Maryland’s Veteran’s home needs personal items like bodywash, shampoo, and toothpaste. (Full size NOT travel size). We have a collection box for these items in the lounge, and they will be delivered to Charlotte Hall on the 21st of November. Please see Jeff Seiler if you would like to make a monetary donation. See the SAL Bulletin Board for additional items that are needed. Contributions have been slow and down due to the pandemic.

Another program getting started (yes, I know it is early, but when you are reading this, it’s only 1 more month until Christmas) is Toys for Tots. The Sons will be hosting a drive on the 20th of November. We will have representatives at our Post from Toys for Tots, and we are looking to fill a truck up with Toys. Please look for the Toys for Tots Box and let’s fill those boxes so the unfortunate children can have a Christmas they won’t forget.

Your Post’s History  By Sheldon Shealer
(Extracts from Post Meeting Minutes)

100 Years Ago – November 1921
The regular meeting of Post 11 was called to order by Commander G. H. Bowers, November 8th, 1921 at the Post Club Room. Sabillasville Committee reported that the 1st Maryland Infantry Band gave a concert at the Sanatorium. Concert committee was able to secure the services of Mrs. Margaret E. Harrison, former war prisoner in Russia and that she had consented to give a public lecture under the auspices of the Post. An amendment on the composition of the Executive committee was presented and passed. There was discussion about the unemployment situation and that the Chamber of Commerce had given preference to ex-service members in the construction of the new Hotel and that about 50 men would be brought on Monday, November 14th. The matter of hanging of service men without fair trial was brought up in accordance with a request of the Secretary of War but no member present at the meeting had any specific knowledge of such hangings. Motion passed to form a committee of 3 to get the Oprah House once a month for the purpose of running a movie for the benefit of the Legion finances. Following committees were appointed and staffed: Memorial Committee, Sabillasville Committee, Concert Committee, Motion Picture Committee, Roster Committee, Unemployment Committee, and Cigar Stand Concession Committee.

Benefits the Legion Baseball Program
With only 1,692 sponsored wreaths last year and over 4,000 veterans buried at Mount Olivet Cemetery, not every veteran was honored with a wreath on Wreaths Across America Day. Mt Olivet had to select specific areas of the cemetery to cover fully with the wreaths available. Post 11 is asking for your help to ensure that we reach our goal to place a wreath on every veteran’s grave at Mt Olivet Cemetery. Please sponsor one or more wreaths in honor of or in memory of an American hero. For each purchase of a $15 wreath, $5 will be returned to Post 11 for use in our many Legion programs including purchasing flags for placement on Memorial Day at Mt Olivet.

Purchasing wreaths is easy. Order online through this direct link to the WAA page: https://www.wreathsacrossamerica.org/MD0490P

Click the red button that says ‘Sponsor Wreaths’.

Select the # of wreaths to sponsor AND the location you want them delivered to (Location ID MDMOCF).

Click ‘Review My Sponsorships’. To complete the checkout process with a credit/debit card, Google Pay, or Paypal. Be sure to verify that your group ID and location ID are listed next to the items in your shopping cart PRIOR to submitting your order.

You can also fill out the form below and mail along with a check made out to WAA and mail to WAA-Post11, 1450 Taney Ave, Frederick, MD 21702.

American Legion Oratorical Contest

Do you know a high school student who is interested in Government and the Constitution?

Scholarships are available at the Post, County, District, State, and National levels through the American Legion Oratorical Contest.

About the Oratorical Contest “A constitutional speech contest”

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches important leadership qualities, the history of our nation’s laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights, and privileges of American citizenship. The program has featured numerous politicians and prominent contestants over the years, including former president candidate Alan Keyes and CNN anchor Lou Dobbs.

Young orators earn some of the most generous college scholarships available to high school students. Over $138,000 in scholarships can be awarded each year. The overall national contest winner gets an $25,000 scholarship. Second place takes home $22,500, and third gets $20,000. Each department (state) winner who is certified into and participates in the national contest’s first round receives a $2,000 scholarship. Those who advance past the first round receive an additional $2,000 scholarship. The American Legion’s National Organization awards the scholarships, which can be used at any college or university in the United States.

High school students (all grades) under age 20 are eligible. Competition begins at the post level and advances to a state competition. Legion department representatives certify one winner per state to the national contest, where department winners compete against each other in two speaking rounds. The contest caps off with a final round that decides the three top finishers.

Speaking subjects must be on some aspect of the U.S. Constitution, with some emphasis on the duties and obligations of citizens to our government and speeches are eight to ten minutes long; three- to five-minute speeches on an assigned topic also are part of the contest.

FSK Post 11 will hold its contest on January 29, 2022, at 10am. Prizes will be 1st place $500, 2nd place $300, 3rd place and beyond $100. Winner will advance to District competition in February. State Competitions will follow in March.
