Official Bulletin Vol. XXXXI No.3

SEPTEMBER — 2023

COMMANDER'S ROLL CALL BY KIM DAVIS

I can't believe August has ended and Fall is approaching, which is a perfect time to enjoy the beautiful Frederick weather. However, I am still daydreaming about the delicious corn on the cob served at the Commander's Party hosted at Bill and Patti Lach's home during the American Legion State Convention in Ocean City, MD. Thank you Patti and Bill for your hospitality!

I would like to extend another shout out to the baseball committee and volunteers. What an exciting Baseball Season! In addition, thank you to all our golf participants and volunteers for braving the hot weather in support of the Bryan M. Hissey Memorial Past Commanders Golf Tournament.

On Wednesday, July 19, Jaime Fox Hardwick surprised our Legion home with live music from her hometown album release. What amazing talent and that evening was well received with awesome participation.

Entertainment is back at our Legion home, the first Friday of each month. The band the Vantastic will kick us off on Friday evening, September 1 and then in October, the Full Effect Band will continue the celebration.

I hope everyone is having a fabulous summer and if you are free on September 9, please join me for the Legion Family picnic and let's end this summer season with fun, food and friendship.

I am excited to announce that our Legion Post is sponsoring a new Scout Troop: Troop 1998G, a female troop. Our post home now proudly sponsors the following: Cub Scout Pack 1055 for 25+ years; Troop 274 since 2022; Cub Scout Pack 371 since 2023; and now Troop 1998B (male troop), which will merge with Troop 274. We are looking for a Legion Member to be the Charter Organization representative for Pack 371. This person will be the liaison between the Pack and the Post. If you are interested, please contact Past Commander Matt Staden at 301-845-4018 or by email: mdsmds117@yahoo.com.

September 11 will be 22 years that we remember the tragic events that took place. This day is emotional for everyone. September 11 is now designated as Patriot's Day, and a day that we will Never Forget!

POW/MIA Recognition Day is honored on the third Friday of September. In 1979, Congress and the President passed resolutions making it official after the families of the more than 2,500 Vietnam War POW/MIAs pushed for full accountability. As of May 22, more than 81,000 Americans remain missing from WWII, the Korean War, the Vietnam War, the Cold War, and the Gulf Wars/other conflicts. An empty chair is posted at the main entrance of our lounge and serves as a physical symbol of the American POW/MIAs that are still unaccounted for.

I encourage all new Post 11 Legion members to attend a new member orientation. For information on the next orientation, please reach out to the Post admin office at 301-662-9345. Legionnaires, we have open positions (Historian and 3rd Vice Commander).

I want to personally thank all our current volunteers and encourage new ones. Please check out the calendar for upcoming events. Additionally, thank you to our bar and kitchen staff. Please tip generously; our bar and kitchen staff work hard for us! Do not hesitate to reach out to me on any ideas or feedback that will continue to facilitate our success and safety. I am looking forward to this next month and working with all of you!

"The strength of the team is each individual member. The strength of each member is the team." Phil Jackson

AUXILIARY NEWS BY MAGGIE STINSON, PRESIDENT

I'm so proud of Unit 11. We won four awards at the 2023 Convention that was held in Ocean City back in July. Our category is for Units with members of 336 & over. We received THREE first place awards: Best All Around Field Service; Home Service; Veterans Affairs & Rehabilitation and we got a SECOND place for Children & Youth.

Every year the Auxiliary has a Hat Contest at the Convention in Ocean City. In 2022 there were only 5 hats entered. This year, there were 22 hats entered! I haven't seen one entered by Unit 11 in the last couple of years – but guess what? There WILL BE a hat from Unit 11 at next year's convention. The winning hat is judged by how much money that hat brings in. The hat can be shown around the Post during the year and donations can be made towards our Unit's hat. Then people make donations at the convention as well. So, keep watch out for Unit 11 members showing our hat around the Post over the next several months leading up to the 2024 Convention.

We had our annual August Potluck Dinner on 8/15 – about 30 people came together to enjoy a potpourri of homemade dishes and desserts. We welcomed our husbands to join us as we do each year. Ray did himself proud (as always) with the delicious ham and chicken dishes. It was certainly a wonderful evening for our members to get to know each other better and enjoy a time of fellowship.

Our regular meetings resume in September. Remember, our meetings are always the 3rd Tuesday of each month at 7:00 pm – usually in one of the bays in the ballroom. I would like to encourage as many members as possible of Unit 11 to attend the monthly meetings. It is a time for us to come together to discuss our goals, accomplishments and plan out our yearly events. There are several positions available for members to be an officer or to chair a committee. There is a lot I want us to accomplish this coming year and it will take the efforts of many members to make these goals. Plus, we always seem to have fun when we get together what more can you ask for?

It's not too early to pay your 2024 dues. Dues are \$35.00 and \$7.00 for Junior members (17 & younger). You can renew FOUR ways.

1. Stop at the Legion and pay your dues at the office or drop them at the bar
2. Mail your dues (check payable to FSK Unit 11) to the Post home at 1450 Taney Avenue, Frederick, MD 21702
3. Renew online at Legion-aux.org
4. Calling National Auxiliary Organization Monday thru Friday 8:00 am – 4:30 pm EST at 317-569-4570 to pay over the phone.

You must have your membership ID available if you pay online or over the phone.

Our wonderful Post 11 works as well as it does because of all the wonderful staff and volunteers that do so much to make things happen. If you have some extra time, please consider volunteering around the Post. You may only have a couple of hours a week, but believe me, we can find something for you to help with for those couple of hours.

Again, I want to say how proud and honored I am to serve as the President of Unit 11 this coming year. I'm looking forward to an amazing year, filled with fun & fellowship.

Legion Riders By Tim Smith, Director

September? Really?? Well, I hope everyone enjoyed their summer. Kids of all ages are heading back to school and college, so be careful around school buses. The Riders will have our state meeting at the end of September and Post 11 Riders will announce their 3rd annual Get Together Ride for next spring. This event is growing, and we hope to host many more Riders Chapters throughout Maryland to come together for fundraising and supporting our causes. We are all looking forward to the Post's family picnic on the 9th and hope for a great attendance. Bands are starting up at the post once a month and we hope this will be well attended as well, bring some dancing to our Post home and fun. Our Riders will be coming up with some fund raising of our own to support our Holiday giving and ask for your consideration in participating. Did you know that in 2014, Kharat Sinh Parmar of India constructed the longest motorcycle in the world? The motorcycle measured in at 86 feet, 3 inches long, making it 13 feet longer than the previous longest bike. Bharat also rode the bike 100 meters down the road, showcasing its ability to perform like a traditional motorcycle. In contrast, Tom Wiberg of Sweden crafted the world's smallest motorcycle in 2003. This bike measured only 80 millimeters across, with a rear-wheel diameter of 22 millimeters. Have a great September and I will see you at our Post. Be The One.

If you would like to become a member, or supporting member, please attend our meetings. You can also contact our Membership Chairman (Jami Clevenger) at jamiclevenger@outlook.com or go to our website. Membership is free, but you must be a Legionnaire, Auxiliary, or SAL member with dues paid up to date. You do not need to own a motorcycle to become a supporting member. We meet on the 1st Thursday of every month at 7:00 pm sharp in the meeting bay. You must renew your membership annually to stay an active member and continue to receive emails. For all members, please contact our Membership Chairman with any changes to your contact status to continue receiving up to date information.

Please visit our website WWW.ALRFKPOST11.ORG for all scheduled rides, events, applications, etc., and more information on the American Legion Riders. Please also check out our Face Book page, [The American Legion Riders of FSK Post 11](#), and give us a like. Operations Corner.... By Wayne Kaikko, Chairman

We just changed committee members after the Department Convention.

I have assigned at least 2 members to each area of our operations. This is done so each area maintains their own chain of command. In the past all inquiries went to the operations chairman. We hope these changes will make the operations able to act expeditiously.

Position Assignments:

Bar: Joe Rizzo, Tom R. Pryor

Kitchen: Wayne Fox, Patricia Swiderski

Inside/Outside: Mark Spurrier, David Swiderski, George Smith, III, Charles Davis, Edwin Lopez

Entertainment: Kim Davis, Willie Jenkins

Banquets/Rentals: Maggie Stinson, James Burdette

We have just had the kitchen steam cleaned and sanitized. We clean every day to keep it safe for you, but we go the extra step in steam cleaning every 18-24 months.

We have added 2 new bartenders so please be patient with them as they learn our system. We currently have openings for bartenders, cook, and an event scheduler. We are also looking for help on Thursday, Friday, and Saturday evenings for 2 to 4 hours to help deliver food to customers and bus tables. If interested in any of the positions available please contact me at the legion: 301-662-9345.
